Here are our key findings: Exotic flavors of [Cat Biryani](#) at News365India. Indulge in this unique culinary delight, expertly crafted with authentic spices and tender meat, available in India. Explore our exclusive recipe and cooking tips today

**Evidential Gaps:** Most of the viral posts lacked credible evidence. Many images and videos were found to be either doctored or taken out of context.

**Official Inspections:** Local health authorities conducted surprise inspections of the eateries in question. These inspections revealed no traces of cat meat being used in biryani preparation.

**Expert Opinions:** Veterinarians and food safety experts we consulted stated that it is highly unlikely for established eateries to engage in such practices, given the severe legal and reputational risks involved.

### **The Legal Perspective: Madhavi Latha FIR**

Amidst the growing public concern, renowned actress and social activist [Madhavi Latha FIR](#) filed a First Information Report (FIR) against the alleged culprits. The FIR prompted a more detailed investigation by law enforcement agencies. Here are the developments following the FIR:

**Police Investigations:** The police conducted raids and collected samples from the accused establishments. The forensic analysis of these samples confirmed that no cat meat was present.

**Legal Actions:** Several individuals who propagated the rumor on social media have been
